

Norma Viera

Student-Focused Physical Education Teacher

Dedicated to creating a positive learning environment and making a difference in students' lives

Professional Profile

Dedicated, resourceful and enthusiastic instructor who strives to encourage students to make activity and wellness an enjoyable part of daily life. Exceptional communicator with students and parents with a caring and diplomatic manner. Develop and implement curriculums and lesson plans which adjust to student's needs. Conveys an enthusiastic attitude that promotes sportsmanship. Develops teamwork and motivates students to physical fitness participation.

Articulate, student focused individual with a passion to motivate students to achieve goals, while also strategizing and planning for creating winning and successful school athletic programs. Holds students, parents and staff in high esteem and interacts with professional and personal integrity. Proficient with athletic scheduling software.
